

# Golden Isles Woodworkers and Woodturners

April 2017

www.GIWW.org

## Meeting Notes

Paul did an outstanding and informative demonstration on the art of joinery. Thank you Paul for the work you put in on prepping your DEMO.

### UPCOMING DEMO

Roy Yarger will be doing a demonstration on creating hollow vessels.

Have you every wanted to make a hollow vessel but do not have a boring bar or other hollowing tools. This demo will show you how to make a hollow vessel with a bowl gouge.

Roy will also show and discuss various hollowing tools that are available.

If you have any additional Beads of Courage boxes you want to donate, please bring them to the April 8 meeting. Whatever we have on hand at that time will be turned over to Roy for the Low Country Turners to add to their donations.

Club Projects web page:

<http://www.giww.org/club-projects.html>

Side Note:

I have relieved Herb as the club secretary. I would like to thank him for his service this last year and for covering for me while I was gone.

If you have any pics of your work or questions for me please email me at [charlesjackson@btconline.net](mailto:charlesjackson@btconline.net)

## President's Message

At the March meeting, the Club decided to take on a new project. I have a friend who has six Boss Tweed chairs (wood with canery). Four are in tact and two are in pieces. My friend is donating them to the club to auction off to give proceeds to charity or as a club money generator. Paul Speich believes this will be a great club project as it will involve several areas of woodworking, and caning. The chairs are currently in Jacksonville and I will be receiving them mid-April. At May's meeting, we can evaluate the work necessary and make plans for materials required for the project and determine how to proceed.

William "Boss" Tweed was a very controversial politician who lived from 1823 - 1878. He was the son of a third-generation chair-maker, At the height of his influence, Tweed was the third-largest landowner in New York City.

The upcoming 'hollowing demo' by Roy Yarger will undoubtedly be interesting and beneficial. Please try to attend and show your support.

If you want to be a member of the Golden Isles Woodworkers and Woodturners and have not yet paid your 2017 dues, please bring them to the meeting. Dues are \$25. Checks should be made payable to Golden Isles Woodworkers.
