

Golden Isles Woodworkers and Woodturners

February 2017

www.GIWW.org

Meeting Notes

Thanks, Larry, for your Inside-Out Turning demo! Something most of us have not tried, but now maybe we will.

New Club Officers for 2107:

President - Karen Grogan

Vice president - David Loehle

Treasurer - Gerald Dukes

Secretary - Chuck Jackson

Suggested topics for future meetings included hollowing (turning), off-center turning, chair making techniques, carving, box making techniques, joinery techniques, and demonstrators from the Jacksonville woodworkers club. Meeting at other times may occasionally be needed. (Sat afternoon ?)

We also discussed finding other groups that may be a good fit to do shows together.

Please let Karen know if you have other demos you would like, or a group that may be compatible for sharing shows.

We still have some wood and books available - get some great deals at the next meeting!

President's Message

As I start this year out as your new President, I decided to shake things up just a bit. I listened to the suggestions that were made at last month's meeting and have taken action to fulfill as many of them as possible.

First, I would like to see more flexibility in our meeting times. I know Saturday is a busy day, but I've received some feedback about the 9 a.m. meeting being difficult for some of the members. For a few months, I would like to try a Saturday after lunch meeting and see if it suits the members better.

I have been busy getting demonstrators lined up for the next few months. These are the demonstrators/demos for which I have commitments. I have changed the date of the month to accommodate the demonstrator's availability and desires.

Mike Fowler – Windsor Chairs - Saturday, February 25, 2 p.m. at Mike's shop located at 461 Drawdy Drive, Brunswick (the back end of Northwood Estates)

Paul Speich – Joinery – Saturday, March 11, 1 p.m. probably at Paul's shop located at 185 Hardwood Forest Drive, Brunswick

Roy Yarger – Hollowing – Saturday, April 8, 1 p.m. at Karen's shop located at 112 Chad Circle, Brunswick

Ray Dumas – Topic and Date To Be Announced – Ray is a multi-talented woodworker and artist. We will decide on a subject for his demo at a later date. We will be meeting at his shop, Southern Yankee Workshop on Norwich Street in Brunswick.

Ed Malesky (from the Jacksonville club) – Date To Be Announced – Ed will do a demo on off-center/eccentric turning of a female form. Ed is an instructor at the John C. Campbell Folk School and has given demos for our club in the past.

Continued on next page...

President's Message, continued from previous page...

I think you will find all of these fellows very interesting and hope to see record turnouts for their demos.

Also, either in March or April, we will have the remaining Cline wood we purchased last Fall available for sale at 50% off the marked prices. Now, that is a real BARGAIN!!! When Paul and Larry and I priced it, we tried to come up with very reasonable prices to start with. So, this is a SUPER SALE! As the time gets closer, we will let you know when the wood will be available.

Attached with this email is a .pdf file of a collection of new woodturning videos (2016) that has been collected by Rick Morris (Rickturns.com) of Woodturning Online. Hopefully, you will find the list beneficial. Also available in our website library.

Karen Grogan, President, GIWW

Next Meeting
February 25 at 2:00 pm
At Mike Fowler's
461 Drawdy Dr, Brunswick
(Look for Directions in next
email)
