President's Message

Good day to all !

The February meeting will be at Karen's place. She is still recovering from her knee replacement surgery and is doing well. Craig Farnsworth is also doing well, from the same surgery.

The demonstration for the meeting will be done by Paul Speich on off center turning to make a table leg. (I am really looking forward to this.)

Please remember the AAW Symposium in Atlanta 9th thru 12th June.

Let's hope that we have a great year,

Larry
