Next meeting

**February 11th**

1377 Cate Rd  
10 am

**visitors welcome**

The January meeting was cancelled due the possibility of snow.. At least it was cold enough to snow, and I know you southern folk can't drive in slippery conditions.

So anyways we expect to see all rosie faced kids at the next meeting and for those that have not sent in there dues. Bring a check 35.00 or cash on the barrel head will do just nicely.

Next meeting if you are reading this, is at our regular location 1377 Cate Rd. Its located on the corner of Cate and Perry Lane Rd.

## Bring cash or checks for Karen

Demo will be on segment planning and construction by yours truly. Planning hand outs available for mac or the other computers. it makes planning simple. Will have two bowls in different phases of size. Questions will not be heard!!!! Slanderous remarks will be dealt with severely????

Next month ( march ) we will have Charles Walker's demo on hot hide glue. He needs a warm place to do the demo.

### **Beads of Courage**

We have approximately 9 bowls made up. It sure would be nice to have a even dozen. Come on folks 3 more. Once they are done we can donate them to the hospital thru Roy
