## March 14th minutes

1. Ask members to sign up for demos at their location. Dave L. signed up for index demo. and Paul S says he will do a carpentry demo. Hand saw sharpening was mentioned.. We all asked whats a hand saw?????
2. Wood raffled off and Gerald banked \$ 33.00.
3. The Winner of last months free give away was Ralph and he brought in a nice Oak bowl whom was won by Jerry Gafford. Gerry on the hook for next month
4. Request from Brunswick Library for repair of doll house side.. Charles Walker to the rescue.
5. We ask that members donate one of their creations for sale to boost our club treasure. Take a good picture against a black or white back drop and send to your Secretary..(thats me) pa Craig Farnsworth. Include the price you think it should sell. Eddie will post it on FB Marketplace and when it sells the money will go to club. This will help pay for outside demos. Make it nice. The member should have his picture along side his or her piece. Roy Yarger stepped up for the first one. We now need a picture of his shining face.
6. Two new members join up,, Vicki Wilcox and Skip Hagey
7. Offices meet to review possible new meeting site. It looks to be a go so far.
8. New name tags passed out to everyone. Be sure to bring them next time around.
