**Kudos** to Herb for setting up a location for our group to get together and sell some of our pieces.

We have been offered a space for our club to have a show/sale on a Saturday afternoon at the Sea Palms Realty office on Frederica Rd. We can set up in the parking lot out front, which give us great exposure along Frederica. As of now, there will not be a charge, and we can do it any Saturday as long as we let them know ahead of time.

Herb sent me the following information while we were touring in Great Britain. Got home tuesday nite.

There are twelve members who are interested in displaying on May 18:

Barb Hahn  
Dave Loehle  
Eddie Wildsmith  
Herb Miles  
Jerry Gafford  
Jim Welch  
June Chambers  
Paul Speich  
Ralph Haugen  
Rossi Woodworks (Laken & Eddie)  
Tod Tetteron

Plan to arrive around 1:00 to set up. Space is limited, but if some of us can share a space we should be OK. We will leave the first half of the lot for customer parking, with our displays on both sides of the south end of the lot. Please use Fendig Rd to access the parking lot on the side of the building. We will fill spaces closest to Frederica Rd first, then the other side next to the building.

From what I heard Steve and Lucy Dmetruk did quite well at the Jekyll Island artist show last month.
