Greetings Woodworkers

Our Annual Members' Picnic was a wonderful success, as usual. The St. Simons Island American Legion Hall was a great place to hold this function.

For those of you who don't know, our membership has grown to the point that we have outgrown hosting parties at individual's homes. When our turnout numbered close to 40, the club decided to rent the American Legion Hall. The funds for the rental came from the Club's treasury.

In the future, if we continue to grow (which we certainly hope to do) and have such good turnouts, there may be a nominal per person charge. This will be discussed at future meetings.

Thanks to everyone for bringing such delicious side dishes and our chefs for cooking in the hot weather.
