GREETINGS WOODWORKERS

April was a very busy month for me. The Opening Reception of my first solo art show was a huge success on Sunday. Thanks to all who supported me for the show and those who came to the reception. It was nice to see so many familiar faces. The exhibit will be on display at the Goodyear Cottage until the end of the month. So if you missed the reception, stop by any time. Their hours are 12 – 4 weekdays and 10 – 4 on Sat and Sun.

Which brings me to our Club's upcoming club show in October at Goodyear Cottage. If you signed up to participate in the show, I hope you are working on some pieces to put in it. Believe me, the time slips by very quickly and suddenly it is time to get your inventory and price list ready. We will need to do that by the first of September – 30 days in advance of the show. It would be good to have five pieces per person if at all possible.

In March there were a lot of pictures submitted for the April Newsletter. I resize the photos you send to make them take as small (KB's) as possible, but still when I combine them and convert the Newsletter to an Adobe document, it sometimes is quite large. I found that some folks didn't receive or could not download it last month. Normally, I try to get the Newsletter out by the first of the month or immediately after wards. If you do not receive a Newsletter by the first few days of the month, check our web site as I have been posting them to our web site immediately upon sending them. I always need photos from you so we can see what all of you are doing. Please don't hesitate to send them!!

By the way, Paul's comment (see above right) about keeping all ten whenever I go to a demo given by someone new, I always check to see if they have all ten.

Karen Grogan, 912-222-5959

Woodturner's Meeting

Monthly Meeting – Saturday, May 9, 2015 – 9 a.m. - This meeting will be held at Karen Grogan's shop, 112 Chad Circle, Shadowlake Subdivision (on your way to Paul Speich's house off Hardwood Forest Drive), Brunswick, GA. As stated above, the demo will be on holding and flipping the piece you are turning back and forth on the lathe.

President's Message

GOLDEN ISLES WOODWORKERS

Let's think safety in the shop. One of our members reminded me that we should have safety briefing on a regular basis. Why don't we go one better and make May our safety month! Our next woodworkers meeting, we will focus on shop safety and the safe use of individual tools in the shop. If any member has any safety tips or interesting articles to share, please bring them to the next meeting. Remember, work safe and keep all ten.

Paul Speich

GOLDEN ISLES WOODTURNERS

Karen's show on Jekyll Island was great. Don't forget it will be on display through the month of May if you were unable to make it.

The demo on Saturday, May 9, will be on holding wood on the lathe. I will not be able to show all the ways so bring your ideas and questions.

“NEWS” The AAW Symposium for next year, 2016, will be held in Atlanta, GA, 9 – 12 June, close enough to attend. PLAN AHEAD!!

Larry Sullivan

Woodworker's Meeting

Monthly Meeting – Tuesday, May 19, 2015 – 7:00 p.m. - Paul Speich's shop at 185 Hardwood Forest Drive off Harry Driggers Blvd. There will be a discussion on Safety Practices in the Shop followed by some work on the bench.

MEMBERS' WORK

JIM WELCH

48x18 frame made for a fish that Bonnie glued up from scraps of draperies made for people on St Simons. The fish was years in the making but the frame only took a couple of days.

GERALD DUKES

#1 - Restored Bailey #6 Plane

#2 - Updated Sharpening Jig for the Wolverine Knock Off System

#3 - Jig for Miter Slots on Table Saws, Band Saws and Router Tables from a Woodsmith Tips Page
