## Location

**300 wrangler Rd.**

**Brunswick**

10 am

behind 1743 Old Jesup Rd

The October meet has a demo by Roy Yarger doing a Disc demo.

Demo was durn good and now I am thinking can I hook up my shop vacuum to make this work.. And is it worth the aggravation. We all ought to send a thank you to Roy for coming down here. Brought his own lathe and tools.. Thats a lot of monkeying.

Eddie talked to building owner and we can now use the building space till he finds a renter. Minutes of October meeting. Raffle brought in \$ 111.00 Gerald needs someone to help with ticket sales. Eddie W and Craig F won Case certificates. 2 Craft certificates were also won. 17 members present. A fellow by name of Ed Mercer came to our meeting and plans to join. He submitted his application for membership. That makes 34 members. He displayed some fantastic carvings.

Members present at October meeting Eddie W., Craig F., Gerald D., Barb H., Herb M., Karen G., Jerry G., Paul S., Steve Possey, Roy Y., Charles W., Leon P., Doug B., Ken M, Pete B, and Bryce H.

Raffle brought in \$ 111.

Lots of wood donated by Case woodworking supply in Savannah. Thanks to those guys.

Roy Yarger gave a great demo on how to make a disk vase. Ohhhh I want to try that. You could tell he has done many of these as he had each part of demo with a static display of the before and after look

Barb brought in a turning for her give away but I missed who won it.

Winners of Raffle

Winners of the Case Certificate were Eddie W. and Craig F.

Demos coming up. Craig F Nov. 14th end grain cutting boards The rep from Klingspoo Abrasives will give us a talk on his line of sandpaper, router bits. IF you need sanding paper or a router this would be a good time to order them.

## Board minutes from Oct 26

present,, Eddie, Barb, Gerald, and Craig

1 First No Christmas Party this year.. Regular meeting instead? If the snow not to deep

2 discussion on name tags. Barb and Eddie are researching

3 Gerald to look for original by laws. Discussion a change to them.

4 Dues Anyone joining **October or November they Pay \$ 20 for balance of current year. In Dec they pay full amount but get the month for free.** Dues to remain same. \$ 35.00 per year.

5 From this day forward we will plan a **swap meet for the June and November Meeting.** That will be the day members can bring anything they want get out of their shop. Tools, accessories or items you no longer use. Take it home with you if no one picks it up.

6 We will continue with the woodturner or woodworked pieces. Tickets will be passed in a bowl. Take a ticket and leave the duplicate. Anyone can take part. The winner will be responsible to bring in a new piece the following month. This is Voluntary.

7 **Demo by a member or outside source** he or she will get first choice on the wood that is donated or a Craft Certificate.

8 There will be call for **Treasure.** Gerald after 4 years is passing the reins. He has done a excellent job. Anyone interested contact one of the board members.

9 **Show and tell** continues as before but lets keep it short. 3 Min. Once that ends . Gerald will sell tickets. No more single tickets. Groups of 5 @ 5.00 in the interest of easy valuation and a faster meeting. So bring in your \$ 5.00 , \$ 10. and 20s.

10 **Raffle** Will be the last thing of the meeting with Q&A after. Remember Case certificates will be up for grabs during the Raffle.

11 Looking for members to **volunteer to be a mentor.** Anyone that wants to do that will be added to membership rooster. We all have skills, lets help someone else.

12 Looking for demo volunteers.
