President's Message

First Friday at the Brunswick Library! Several members will be participating, come show your support for the club! November 4th, 5:30 to 7:30. If you want to show and/or sell your work, and haven't let Karen know, please let Karen know ASAP!

A Big Thank You to everyone who helped with the Guitars for kids! We will be taking a trip to Rulon's factory in St. Augustine to meet some of the folks who supply the material and run the program.

Here is a project you may want to get involved with: **Beads of Courage** - Barb talked about this at the picnic and our last meeting. According to the Low Country Turners Newsletter, they delivered approx 50 boxes to the Memorial Hospital in Savannah.

David has done a couple, Karen has one ready. Please put it on your "to do" list before Christmas if at all possible.

Our November meeting will feature finishes, so bring bring some of your work if you can, but at least share with us your favorites.
