Beads of Courage

Goodyear cottage Arts association show for GIWW September 2022

At the regular meeting November it was voted on to donate boxes and or bowls. Its a project for hospitals that care for teenagers and children with cancer. This is something we all can do. I have found out that both the Savannah and Jacksonville hospitals accepts these donations. Its something we can all do. These kids get thousands of beads so it is desirable to make your piece large enough to hold them all.

They suggest a turned box of 6" dia, and height of 4" or larger.. larger is better. Flatwork boxes are to be 4"x6"x4" and again larger is better. How much larger you might ask,, Good question.

Bases of turned pieces need to be wide enough to prevent them from tipping over. Handles on top should be easy to grasp.

Finishing is extremely important. Beads of Courage members who receive these boxes are susceptible to germs, infection and or mold. Please use a safe finish with non toxic material. Do not use sometime like linseed oil that takes forever to outgas. Natural finish only,, no paint

Purchase a Logo Beads to include on your box. This bead can be attached anywhere in or outside the box and it has the artist name.

Lets see what we can make in the next month or so.

Goodyear cottage Arts association show for GIWW September 2022
For those of you that plan to make a craft pc for the GIWW woodturners show.
A couple of things you need to know.

First of all make the item, finish it super nice. Enter it with a price to include the 25% they will deduct. When it sells they will discount 25% and send remainder to you. During this show you can put in as many items that you can make. What does not sell they allow to sit for another month.

Now the nitty gritty.

Whats it cost

- For that one month the charge is \$ 30 to show or join the association,, your choice. You give them price for your item and they print label then you put label on pc. Once sold they issue a check to you at end of month.
- Ways to pay.
- Pay August 30 2022 with application to join. \$ 30.00 This gives you till March 31st 2023 to op out and our pay again and continue with the organization.
- OR Pay March 31 2022 on or before with application and you have a year to show your wares.

Goodyear is a all volunteer group. Everyone helps one way or another. Maning desk, help setting up, Fixing things
They have a lot of people come thru there looking to buy or Gaze. Last year during covid they sold near 25k worth of items Yr before that was even bigger. My wife and I have belonged for nearly 5 years now.

Its a great choice.
