October Meeting Make Your Own Cutting Board!

The October meeting of the GIWW will be held at Eddie Wildsmith's shop at 162 Harbor Pt on Oak Grove Island. He will be demonstrating a technique for making bandsaw boxes from limbs. I will also have the finished cutting boards from the last meeting for Karen, Barb and Ralph for pickup at the meeting. I will also be proposing a paid demonstration for the November meeting from Mark Sillay from Atlanta. You can look him up on utube to see what he does before the meeting. We will also be discussing the December annual Christmas party for time and place. **At that meeting we will also be looking for officers, so think of what you can do for the club.**
