PRESIDENT'S MESSAGE

December is a busy month for our club. First, we are helping Charles Walker sell his tools on Dec 6 and 13th. If you need additional tools now is the time to get them! We also have a booth at the Holiday Sale at the Lutheran Church on St Simons Island on Saturday, December 6, 9 a.m. to 3 p.m. Contact Ken Honadel and bring your items on Friday afternoon to the Church. And, we are having our Christmas Party at Doug Ballard's home on Sunday, December 7. Please RSVP to Karen and come and join other club members and spouses for an evening of good food, good friends, and lots of camaraderie! Logistical information has been provided by email.

As 2025 comes to a close it has been my honor and privilege to serve as your Club President. Together we have accomplished a lot and I am confident that Ken, Paul, Karen and Herb will make the club even better in 2026 and beyond.

My sincere wishes for a Happy Holiday season to you and your families and to a Healthy, Happy, and Prosperous 2026.

Steve
