GOLDEN ISLES WOODWORKERS AND WOODTURNERS

BRUNSWICK, GA

JUNE 2026

MEETING:

There will be no official meeting in June

MEMBERS' ANNUAL PICNIC

PRESIDENT'S MESSAGE

We're kicking off the summer with a picnic on June 13, 2026, at 4:00 p.m. at our regular meeting place, 1105 Union St. (NOTE THE TIME CHANGE) Please respond if you haven't already so we can plan accordingly. Our secretary has already sent out the details and requested feedback, so if you can't find that information, please contact any club officer. We're also planning a show-and-tell, so bring one or two pieces—or more if you'd like—to share with club members and their spouses or significant others.

Demo last month was done by Craig Lardinois. Craig did a fun little demo. Thank you for stepping up giving us a demo on making a tulip. Craig volunteered on very short notice due to issues beyond anyone's control for the original demonstrator.

I'd like to give another plug for the show on Jekyll Island this October. I haven't participated before, but I've heard it's a great event and I'm looking forward to it. GIWW and another artist will have the main floor to display and sell our work. If you haven't decided whether to participate, I encourage you to join in.

Do you have a safety tip to share? Have you ever realized there was a better or safer way to do something? Send us your ideas so we can include them in the newsletter, or bring them up at the next meeting. Our last few meetings sparked some great safety discussions, and that's how we learn and stay safe.

Although we don't have a formal mentorship program, the club does hold a wealth of knowledge and experience. I encourage newer members to reach out if they need a little help. I have seen longtime members reach out for assistance now and then.

Ken Honadel, GIWW President
