GOLDEN ISLES WOODWORKERS AND WOODTURNERS

BRUNSWICK, GA

MAY 2024

MEETING:

MAY 11, 10:00 A.M.

FIRST PRESBYTERIAN CHURCH

1105 UNION STREET

BRUNSWICK, GA

PUBLIC WELCOME

PRESENTATION:

Savannah Repurpose has tentatively agreed to give us a presentation about their business.

GIWW

In April, we had 16 attendees, including one guest, at our monthly meeting. Doug Ballard and Paul Speich gave a presentation on the steps required to build a rocker. Doug wanted to make a mate for the existing rocker he had. The process is not exactly simple. There are a lot of pieces involved and of course, they all have to fit together perfectly. I think Doug has decided this will be the last rocker he'll be making. But, when it's done, he might change his mind. The rocker he is duplicating has been re-caned by his wife, Sara. She did a fantastic job on it. There are some pictures attached.

We were disappointed that Repurpose Savannah was unable to come and give us their presentation in April. Hopefully, it will work out for the May meeting. So, thanks a lot to Paul and Doug for stepping up to the plate.

The club has 27 members to date. We are always looking for new members and encourage our current members to bring a friend whenever possible. One meeting might spark an interest they didn't know they had.

Several of our members are getting their pieces ready for the show in May at the Goodyear Cottage on Jekyll Island. The Opening Reception will be May 5, 1 – 3. Please come and see the beautiful pieces that will be on display and support your club and fellow members..

Remember, please send pictures of your projects before the 25th of each month to be certain to have them included in the Newsletter.
