MEETING THIS MONTH

IN LIEU OF A

MEETING, WE WILL

HOLD A MEMBERS'

PICNIC

PRESIDENT'S MESSAGE

This year we are having a picnic in lieu of a May meeting. It will be a great day of camaraderie and getting to know each other and spouses in a social environment. We had a majority wanting a picnic but RSVP's haven't been so good. Please call Karen with your RSVP. Let's have a good turnout. Thank you to David and Lucy for hosting the picnic. Bring your latest creations as we will have a show and tell. Show and tell was a big hit for the spouses at the Christmas party.

In June we have Andy Oldenberg from NE Florida Woodturning Guild doing a demo on fluting. Andy encourages audience participation during his demos so be ready!!!!! We hope to have a demo on dovetails in July. We are looking for suggestions and demonstrators for future months so don't be shy.

We will have an order sheet for Klingspor at our June meeting. We can combine everyone's order and the club will place the order to earn the discount which will be applied to everyone's individual order..

Let's RSVP for the picnic and have a good turnout for good food, libations, and lots of fun together.

I look forward to seeing y'all at the picnic.

Steve

SECRETARY'S NOTE

I have opened a Klingspor account for the club. If you have an order for sandpaper, contact Steve and we will combine orders to get the discount they offer.

As discussed in our last meeting, we are developing a YouTube page. So far, we only have one video on it, but will add to it as time goes on. If you missed Paul Speich's demo in March, you will enjoy the one video we have posted. The following in our link to that page.

In April, we added three new members – Jennifer and Joseph Rhoden and Todd Humiston. We now have 27 members. We are always looking for new woodworkers to join us. Welcome our new members when you have the opportunity!
